#### Attendance moving forwards

At St Laurence's we believe that excellent attendance is essential to support your child's development in all areas. We realise that sometimes children will be sick and need to stay off and ask that you always communicate any absence with us. However, we are working closely with the school attendance service to raise the attendance of all pupil's particularly those who have attendance of less than 90%, who are considered to be persistent absentees. We regularly liaise with parents regarding attendance letters via phone calls, letters and meetings.

Moving forward as a school we will be issuing Fixed Penalty notices for cases where there are repeated unauthorised absences. Examples of unauthorised absences are holidays in term time, odd days off without explanation and birthdays. ANY absence for those pupils whose attendance is less than 90% would require medical evidence in order for us to authorise the absence.

Any holidays taken will result in a fine being issued.

As you will know the government have issued new guidelines surrounding attendance which is much more stringent and will result in more fines being issued. Mr Cushion and Miss Holman will be sending out a letter next week with more information regarding this.

#### Value of the Month

During the month of September, we will be exploring the values of RESPECT. The children will explore how they can show respect for each other and ways to show this around school, in their work and also at home.
